

TECHNICAL, ENTREPRENEURIAL AND VOCATIONAL EDUCATION AND TRAINING (TEVET) AUTHORITY

INVITATION FOR EXPRESSIONS OF INTEREST FOR THE PROVISION OF CONSULTANCY SERVICES FOR THE 2026-2027 COMMON PRODUCTIVITY IMPROVEMENT INTERVENTIONS

Background: The Technical, Entrepreneurial and Vocational Education and Training (TEVET) Authority is a regulatory body established in 1999 by an Act of Parliament. The Authority was founded to operate as an independent and autonomous body responsible for technical, entrepreneurial, and vocational and education training in Malawi. At its establishment, the Authority was given the mandate to create an integrated TEVET system in Malawi that is demand-driven, competence-based, modular, comprehensive, accessible, flexible, and consolidated enough to serve both the rural and urban Malawian population.

The major purpose of the TEVET Authority is to contribute to Human Resource development through, among other things, creating an enabling environment for sustainable acquisition of internationally competitive skills and competences for a productive workforce capable of spearheading the country's production and export-led socio-economic growth.

Through its Productivity Enhancement Programme (PEP) window, the TEVET Authority intends to provide '**Common Productivity Improvement Interventions (CPII)**' based on established needs and gaps from employers and employees of organizations that **pay TEVET Levy**. Each intervention is intended to address common performance skills and productivity gaps identified through the engagement of the participating companies and organizations. The maximum duration of these interventions is five working days.

Call for Facilitators/Consultants:

After soliciting productivity needs and gaps from employers and employees in the Private and Public Sector, the TEVET Authority now invites eligible, registered and reputable facilitators and organizations to express their interest in offering capacity interventions for the 2026-27 Financial year under the areas detailed in the calendar below:

The bidding process will be conducted in accordance with Request for Proposal Procedures contained in the Public Procurement Laws and Regulations of the Government of Malawi and is open to all eligible Consultants/Trainers.

The eligible Trainers/Consultants should possess the following attributes:

- Proven knowledge, capabilities and experience in designing, developing and delivering the stated productivity and capacity enhancement interventions.
- Relevant qualifications of key staff in the areas of intervention.
- Proven track record in facilitation skills.
- Experience in conducting training needs assessment, validation, and delivery of similar assignments.
- Conversant with training of adults; and,
- Those with experience in Training of Trainers delivery and/or Education background will have an added advantage.

Consultants/ Facilitators Input

Successful Consultants/Trainers shall closely collaborate with TEVET Regional Service Centre Managers in the Southern, Central and Northern Regions of Malawi, where the interventions shall take place, to determine the beneficiaries' profiles and to customize the interventions to meet specific needs.

In addition, successful Consultants/Facilitators will take lead in:

- Streamlining the beneficiaries' profiles based on productivity-established gaps.
- Conducting a pre-engagement evaluation of a sample of the targeted beneficiaries to pitch the content appropriately.
- Designing and developing interventions/training that respond to the requirements of the targeted group.
- Preparing adequate materials and handouts for beneficiaries in both print and electronic versions, as applicable.
- Delivering content at specified venues in Blantyre, Lilongwe and Mzuzu as approved by the TEVET Authority.
- Reporting adequately on the proceedings of the interventions; and
- Advising the TEVET Authority on how to improve the provision of similar interventions in the future.

Time of the Assignment

The delivery of the interventions is expected to commence in **October 2026** and end in **February 2027**.

Interested eligible Facilitators/Consultants should submit their **Expressions of Interest (EOIs)** indicating the area of expertise they are interested in, their key skills, and what approaches and methodologies will be deployed. Propose and clearly spell out the content and duration of coverage. Submissions of the EOIs must be delivered and deposited into a tender box at the TEVET Authority Secretariat by **Monday, October 12, 2026, at 14:00 hours. Late EOIs will be rejected.**

The EOIs will be opened on the same date, **Monday, October 12, 2026, at 14:00 hours** in the Boardroom of the TEVETA House, at City Centre, Lilongwe. **Requests for proposals (RFPs) will be sent only to shortlisted Facilitators/Consultants who meet the above criteria.**

All communications and documents, clearly labeled, should be addressed to:
